Dear Friends of Harlequin,

Thank you for your interest in Harlequin dance floors, which for over 30 years have been the choice of the world's artistic and technical directors working in stage-set design, event management and, more especially, dance.

Harlequin combines top quality products with unbeatable service - whether your requirement is for a dance company, conservatoire, local school, opera house, theatre, private dance school, television studio, exhibition, fashion show or rock concert.

This brochure will help you to choose the right flooring for your requirements. You will find technical and practical information for our full range of dance floors, from the most traditional, such as Harlequin CASCADE™ to more innovative options like Harlequin HI-SHINE™ and our most hard wearing floor, Harlequin STANDFAST™.

Accompanying this brochure is a companion publication titled, *Portable and Permanent Sprung Floor Systems*, which is available on request.

Chantal Lagniau
General Manager, Harlequin Europe

All **Harlequin** floors are guaranteed unconditionally against defects in manufacture, provided that claims are made within six months of the date of delivery (for vinyl floors) or of installation (for Harlequin ACTIVITY™ and LIBERTY™ sprung floor systems).

The company only accepts liability for replacing a product deemed to be defective. **Harlequin** will not accept any liability whatsoever for accidental damage or deterioration linked to inappropriate or extreme use.

Harlequin dance vinyl and sprung floors are guaranteed for five years from the date of delivery (for vinyl floors) or of installation (for Harlequin ACTIVITY™ and LIBERTY™ sprung floor systems) under normal use and provided that maintenance instructions have been followed.

Harlequin SHOWFLOOR™ and HI-SHINE™ floors are guaranteed for two years only from the date of delivery.

Harlequin Duo™

Harlequin Duo has long been considered the classic, reversible performance floor. Made of a double layer of calendered vinyl with a different coloured, slip-resistant surface on each side, **Harlequin Duo** gives you two floors in one.

Harlequin Duo rolls out easily on stage or in the practice studio. Secure joins and edge using single-sided adhesive tape and your stage is set. At the end of the show, simply roll up and store away.

Available in seven colour combinations, the floor is multi-purpose, ultra-lightweight and reversible.

Harlequin Duo is intended for loose lay only.

Developed at the request of Rudolf Nureyev, **Harlequin Studio** is suitable for both classical ballet and contemporary dance.

This multi-purpose dance floor has been used by the Paris National Opera for over 30 years. The floor is surprisingly smooth and soft thanks to its foam backing, which gives added comfort to dancers working on the floor or en pointe.

Harlequin Studio™

Harlequin Studio is a smooth, extremely stable, hard wearing dance floor suitable for both loose lay or permanent installation as a top surface on one of our sprung dance floors.

Made of ultra-tough vinyl, this floor is perfectly suited to the needs of dancers. Its special, complex vinyl construction is strengthened by a mineral fibre reinforcement and a firm yet flexible foam backing to give dancers extra protection and added comfort when doing floor work. Dancers will also find its slip-resistant surface reassuring when performing demanding choreography or difficult movements.

Whether you are on tour or in the practice studio, **Harlequin Studio** is the ideal solution. It boasts exceptional dimensional stability and rolls out easily on any smooth, firm surface.

Orders of 500m² or more can be produced in a colour of your choice.

HARLEQUIN

The world dances on Harlequin floors®

With a soft feel, yet hard-wearing, stable and pliable, **Harlequin Cascade** has a slightly embossed, non-slip surface that provides extra grip and reassurance for dancers of classical ballet.

Grey

Harlequin Cascade™

Harlequin Cascade is renowned for being the most supple, stable dance floor on the market. A whole generation of directors and professional dancers have been won over by its durability. The lightly embossed surface has an excellent grip that gives dancers complete confidence, while the matt finish makes it extremely popular with lighting designers.

Harlequin Cascade can withstand heavy stage props, scenery and lighting towers. Suitable for use as an indoor or outdoor stage floor or in the practice studio, **Harlequin Cascade** gives performers added protection either as a loose lay or permanent installation, particularly on top of one of our sprung floors.

The ultimate hard-wearing, multi-purpose dance floor, **Harlequin Standfast** can withstand heavy props and scenery and is extremely hard wearing when used on stage, in the practice studio or in a multi-purpose hall.

Harlequin Standfast™

Harlequin Standfast is an extremely tough, heavy-duty, multi-purpose floor intended for permanent or semi-permanent installations only, either on stage or in the practice studio, particularly as a top surface for one of our sprung floors.

Especially popular with Flamenco dancers, it is also suitable for classical ballet, contemporary dance, hip hop and a range of performing arts.

When laid, adjacent rolls of **Harlequin Standfast** can be hot-welded to form a continuous, non-slip surface suitable for heavy-duty use.

HARLEQUIN

The world dances on Harlequin floors®

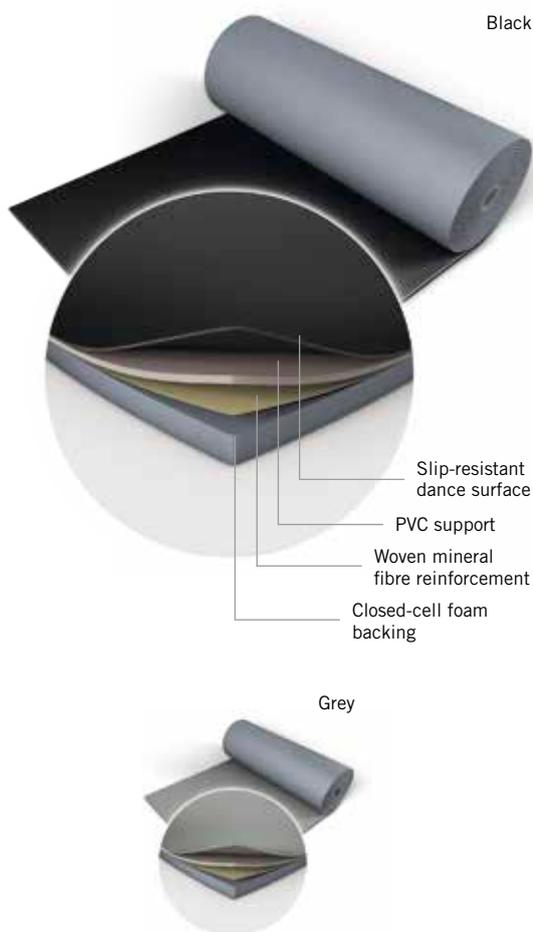

Specially designed to protect dancers against hard sub-floors, **Harlequin Allegro** meets the French AFNOR NFP standard 90203 and provides an exclusive and innovative alternative to the traditional sprung dance floor.

Harlequin Allegro™

At 8.5mm, **Harlequin Allegro** is the thickest roll-out dance floor on the market. Made from vinyl reinforced with a tough mineral fibre interply and foam-backed to offer protection against hard sub-floors.

Harlequin Allegro is suitable for contemporary dance, jazz and hip hop as well as yoga and pilates and is ideal for use in rehearsal studios.

Looking for a semi-sprung floor surface for your studio? **Harlequin Allegro** is the quick and easy solution - no need for a carpenter, nails, screws, springs or pads! All you have to do is choose whether to loose-lay or permanently install your floor.

Environmental Statement

For several decades now social and environmental responsibility has been a fundamental value for the Harlequin group. Thanks to products that respect the environment and our advanced technological processes, each stage in the production generates a minimum environmental impact.

Our responsible product supply policy is dictated both by the customer's demand for quality and our own concern to protect the environment. That is why we select our suppliers very carefully from among those who share our environmental and social convictions.

As our PVC surfaces are fully recyclable, they are often described as a sustainable product and the Harlequin group recycles almost 100% of its production waste. It is also committed to recycling all Harlequin products that are returned to its European factories for recycling at the end of their lives. A commitment by which the group seeks to minimise both its own carbon footprint and that of its customers.
