Harlequin Standfast™

Harlequin Standfast is an extremely tough, heavy-duty, multi-purpose floor intended for permanent or semi-permanent installations only, either on stage or in the practice studio, particularly as a top surface for one of our sprung floors.

Especially popular with Flamenco dancers, it is also suitable for classical ballet, contemporary dance, hip hop and a range of performing arts.

When laid, adjacent rolls of **Harlequin Standfast** can be hot-welded to form a continuous, non-slip surface suitable for heavy-duty use.
